WELCOME!

Close to the city and just at the edge of the forest, easy to reach, yet still nestled in nature – the location of our four-star superior private hotel in Degerloch, not far from the TV tower, is unique. The 94 rooms and two suites are timelessly beautiful, fitted with high-quality furnishings, and offer you comfort and luxury to make your stay a delightful experience. In a place where hospitality and attention to detail are cultivated in a more personalised way. This is because our primary concern is that you feel at home with us, no matter whether your stay is for business or pleasure.

For meetings, we offer six function rooms in different sizes. From the 185 m² ballroom to the 105 m² Lindensaal, idyllically situated in the garden of the main house, to smaller conference rooms, we are sure to have a suitable room for your meeting. For smaller meetings, we also have rooms, some of which are even listed for historic preservation – for example, our Elsässer room, just next to our restaurant. Our conference rooms have plenty of natural light and are equipped with the latest technology – internet access is of course free of charge.

Our experienced team is here to help ensure that everything runs smoothly, whether this is a discreet meeting or a large event. When it comes to employee incentives and team-building events, our garden, the neighbouring forest, climbing centre and the nearby high-ropes course are tried and tested venues.

We look forward to supporting you soon in person.

Best wishes,
Waldhotel Stuttgart
